- Please email Susan to reserve your spot at slmogenson@sasktel.net. A **\$100 deposit required**.
- **Deadline to register is: May 31, 2022**

Lee Kozicki Biography

I have been training dogs for over fifty years. In the obedience ring I have over 600 High in Trials and 8 OTCH dogs. My last five dogs have all achieved 200 scores. Since 1986 I have been in the top ten dogs in Canada multiple times with my last 6 dogs and have GMOTCH titles on my last 5 dogs.

I teach competition obedience and have over 60 students, who have achieved an OTCH title on a variety of breeds and now several who have their MOTCH and GMOTCH titles.

I have also put a RAE rally title on one of my dogs and a WC hunting title on one of my miniature poodles. He is the only Can. Am Ch. miniature poodle to obtain this title. He also has his Am. OTCH and RE and Ca. GMOTCH.

Scooter achieved his CD CDX & UD in less than a year with perfect scores and multiple high in trials from all three classes and obtained his GMOTCH in less than three months. He also has an Am. OTCH, & UDX4, with multi High in Trials and multi High Combined.

I also have 3 other Am UD dogs. He was the #2 dog in Canada 2015 and #3 All breed in 2016 and #1 all breed in 2017 and 2018 and 2019 with Over 200 HIT and an average over 198 in Canada. He was invited to the US Westminster obedience trials for 2016 & 2017.

My new dog came into my life at 3 years old and has his GMOTCH with nine 200 scores already. He was #7 in Canada in 2021 with very limited trialing, and the highest average of any dog in the top ten.

My number one goal is to have happy working dogs, that enjoy the obedience ring and being part of our family.

Lee
